**Blackman Plumbing Supply Opens Brand New 9,000 ft<sup>2</sup> Showroom in West Palm Beach, Florida**  
This New Space offers Tile, Lighting, and Stone in Addition to Plumbing

**Bayport, NY** – Blackman Plumbing Supply Co., Inc (Blackman), the New York Based plumbing supply company, has just recently opened a new showroom in West Palm Beach, Florida. Located at 820 S. Dixie Hwy (on the corner of Okeechobee Blvd and S. Dixie Hwy), this is Blackman's first location outside of the Tri-State area. Equipped with a working shower displays, this showroom will also serve as the flagship location for Ann Sacks tile in the West Palm Beach market.

Although this showroom will offer the very best in luxury decorative plumbing, there will be product to meet all price points. Blackman has once again partnered with industry giants such as Kallista, THG, and Hudson Valley Lighting to create luxurious room settings. Blackman's staff has extensive industry experience and are well trained in all product lines.

“Blackman's West Palm Beach showroom is the perfect flagship store as Blackman continues to expand into the Florida market” says David Lyon, Vice President of Retail for Blackman. Mr. Lyon, who also designed the space, claims “We've switched up our typical design and have created something new, fresh, and exciting!”
